

INFORMATIONSSICHERHEIT UND PROTOTYPENSCHUTZ

INFORMATION SECURITY AND PROTOTYPE PROTECTION

Seit einigen Jahren führen wir ein erfolgreiches Informationssicherheitsmanagementsystem mit internen Prozessen und Sicherheitsmaßnahmen, das uns täglich dabei hilft, verantwortungsbewusst mit den uns anvertrauten Kundeninformationen umzugehen.

Als aktive Teilnehmer des Trusted Information Security Assessment Exchange (TISAX®), stellen wir unsere Ergebnisse über das ENX-Portal bereit: <https://enx.com/tisax>

--

For several years now, we have been running a successful information security management system with internal processes and security measures that helps us to handle the customer information entrusted to us responsibly on a daily basis.

As active participants of the Trusted Information Security Assessment Exchange (TISAX®), we make our results available via the ENX portal: <https://enx.com/tisax>

Further general information about TISAX®: <https://portal.enx.com/de-de>.

Weitere allgemeine Informationen zu TISAX® unter <https://portal.enx.com/de-de>.
